Two-year-old Vanessa Smith gives two toy bunnies a trial hug at Altona Toyland. She settled on them after inspecting all the Easter bunnies in the shop. As she was only allowed to keep one, Vanessa took her time in deciding which one it was to be. In the end she set her heart on both of them and did not want to part from either.

# TRADERS FACING ATTACKS

Altona traders are facing a three-pronged attack on their livelihood.

They are threatened by:

- The proposed \$43 million Westland complex, recently given the green light by the Town Planning Appeals Board.

- A regional shopping centre proposed for the quarry site in Miller's Road.

- A rejuvenated, fiercely competitive Footscray shopping centre.

The proposal for a regional centre on the quarry site in Miller's Road is seen by some traders as the death knell to any chance of the Pier Street shopping centre expanding.

### MET COUNCIL

It is expected that this proposal will be fiercely opposed by the Altona Chamber of Commerce.

Representatives of the developer, Lewis Development Pty. Ltd. met Altona Council last night to outline their plans.

The plans will probably come before the next meeting of council for final approval.

The plans include a 200,000 sq. ft. department store, a 100,000 sq. ft. supermarket and 40 other shops.

It is understood that the developer expects the centre to be opened by the end of 1973.

Parking is provided for about 900 cars.

### RUMORS

Commenting on rumors that the proposal would be abandoned because of the approval given to Westland, a director of Lewis Development, Mr. John Goodsall, said there was no indication at this stage that the project would be shelved.

Another shock to Pier Street traders has been the offering for sale of the properties owned by G. J. Coles and Woolworths.

The Coles' property, including the present

small store, has been on the market for several months. Small portions of the total property have already been sold.

A spokesman for Coles said the approval given to Westland had no bearing on the company's decision to sell.

### AUCTION

The Woolworths property, part of which had been zoned commercial, was passed in at auction last Friday at the reserve price of \$120,000.

Woolworths is selling the site because its policy or the size of stores has been changed and a larger property is needed.

Coles' and Woolworths' decisions to get out and the lack of a buyer for the two properties paints a grim picture for the future of the shopping centre.

The Mayor of Altona, Cr. Doug Grant, said he was disappointed that Woolworths was not going on with its plans.

He added that the type of supermarket proposed would have tidied up the area and provided additional parking.

### MORE TRADE

Cr. Grant said he did not believe Coles and Woolworths' decisions would adversely affect the shopping centre, although the establishment of their stores would have brought more trade.

He added it remained to be seen whether Westland would pull much trade from Altona.

He said although it was almost certain a bus service to Westland will be started, the trip was still an arduous one.

## Probe on refinery blasts

Work is back to normal at the Petroleum Refineries of Australia plant in Millers Road after two big blasts rocked it last week.

Thousands of barrels of crude oil exploded into flames in the early hours of last Friday morning and about 60 firemen battled for an hour to control the blaze.

A company spokesman has told The Star that the fire was not caused by an error on the part of staff at the refinery.

He says an investigation is proceeding into the fire.

The explosion and resulting blaze lit up the Western Suburbs' skyline and rocked one man out of his bed half a mile away.

Melbourne's chief fire officer, Mr. Tuono, says the position was critical when the brigade arrived.

He says firemen had to battle to keep the fire confined to one area.

Mr. Tuono added that a major explosion would have resulted if the flames had crept to other sections of the plant.

About 15 fire engines from eight surrounding brigades were sent to Millers Road.

The blaze was brought under control about an hour after it started.

# Small notice but big personality

A small notice in the back of the Altona Council's Who's Who notes the existence of the Altona Spastic Aid Committee, secretary, Mrs. L. Oakes, 9 Upton Street, Altona.

To find Mrs. Linda Oakes is easy. To get her to talk about herself is another thing.

Mrs. Oakes has been secretary of the group since it was formed almost 12 years ago.

After having raised nearly \$12,000, despite family commitments, she's still going strong, planning and organising for the committee, which she helped form, and of which she has been one of the mainstays.

The committee aims at helping spastics attending the Chis-lon day care centre.

Mrs. Oakes became interested in helping spastics when she was approached by well known resident, the late Mrs. Ivy McGowan, who showed her how desperately the Chis-lon centre needed help.

## OTHERS

With other members of the McGowan family, Mrs. S. Cambridge, Miss M. McGowan, Mr. Keith Kube and Mrs. Oakes' husband, Ken the first committee was formed.

Together they organised a barbecue, a street stall and a Christmas party-concert, which raised £130, all within a few weeks.

Mrs. Oakes' four eldest children John, Irene, Margaret and Elaine helped too.

As a result the committee grew and was re-formed.

Over the years they have held countless street stalls, social evenings sold forget-me-nots and held raffles, raising more than \$1000 a year.

Her work has not gone unnoticed.

Mrs. Frank Horsburgh, the president of

Chis-lon Council, and Mrs. M. Andrew, who has been supervisor at Chis-lon since it opened, both praised Mrs. Oakes and the committee for their work.

## LIFEBLOOD

Mrs. Andrew said: "The Spastic Aid Committee has been the lifeblood of the centre, supplying valuable equipment and money to help the children."

"The money and the committee have helped to brighten the place up too."

She said: "I think if you ask any parent of anyone on the committee they will tell you how highly they esteem Mrs. Oakes."

Speaking of her work Mrs. Oakes said: "The trouble is, that the government doesn't help spastics enough."

## ALL AGES

"I wouldn't say anything against Yooralla for the world, but after the children reach 16 they have to leave and find somewhere else for care."

"At Chis-lon we cater for all ages."

"We have people from 2½ to 45 at the centre, where they are taught handicrafts such as ceramic tile work and folding paper, which gives them a little extra income."

The centre is also staffed with physiotherapists, speech therapists and assistants

to teach what can be taught and help where they can.

Four other people have also held the committee together over the years.

They are Mrs. I. Winder (Mrs. Oakes' mother), who has been in the group for 12 years, Mrs. D. Shields, 10 years, Mrs. V. Groves and Mrs. M. Thompson.

## FAMILY

Mrs. Oakes said: "I think too much emphasis is placed on the work of the executive."

"They aren't really a committee, they're really like one big close family."

The group hold their meetings at 1.30 p.m. every second Tuesday of the month.

Apart from their own efforts, they depend on donations from businesses and private citizens.

If you can help, you may phone Mrs. Oakes on 398 1138.

Work to help spastics is the business of Mrs. Oakes. Here she is pictured busy at her charitable task.

## Elderly citizens' big week

Highlight of the week for the Altona Elderly Citizens was a visit from the Box Hill choir and concert party.

The group entertained a hall packed with members, who thoroughly enjoyed the afternoon.

Good crowds attended the games on Tuesday and Thursday afternoons.

With the dance after the visit from Box Hill the week was really wonderful.

The special effort was

won by Mrs. Lee and Mrs. Williams, a visitor from Newport.

Another highlight this week was the bowls teams win over South Kingsville 20-13.

The team comprised

Mesdames A. Bond, M. Keeshon, J. Hanson and R. Benson.

An indoor bowls team H. Snowling, M. Sturrock, F. Eades beat Yarraville 15-5.

## FASHION PARADE FOR CHILDREN

A children's fashion parade will be held at the Baptist Youth Hall, Sargood Street, Altona at 2.30 on April 3.

## Kid goes astray

Following stories in local papers recently about friendly budgies and cross dogs this week we have a plea for a friendly lost kid.

The kid's description is — "four footed, shaggy, and friendly."

It was lost from 40 Remari Street, Altona, the home of Mrs. Elizabeth Woodgate, and was a family pet.

Mrs. Woodgate said she would not only appreciate its return, but would pay a reward.

Proceeds from the admission will aid the Baptist Play Centre.

Fashions will be supplied by Tiance and Tim's. Afternoon tea will be provided.

Tickets will be available at the door. Adults 50 cents., children 20 cents.

## the pioneers

During the next few weeks the **Star** will feature the families of the first settlers.

From a handful of people in 1915 Altona's population grew to its present 30,000.

One reason for the city's steady growth was the hard work and enthusiasm of its pioneers.

# A CHURCH WAS FIRST EFFORT

The pioneers of Altona laid the groundwork for the important organisations that make it a good place to live.

When Mr. James Duke first came here, there were no churches.

So he helped build one.

Money was scarce so the Catholic Church was built from the funds he raised by organising functions.

He was a tall, stout, energetic man, who established the first:

- Hospital
- Life saving club.

- Football club.
- Cricket club

He was also a Commissioner for Affidavits and played an active part in the Progress Association.

Mrs. Christina Kimpton who knew him for a number of years, said: "He was a marvellous

person. I just can't tell you how much that man did for the people of Altona.

"He was quietly spoken and never got ruffled. He was a thorough gentleman."

Mr. Duke's son, George, was the first soldier from Altona who returned home after the first world war.

### COLORS

His battalion's colors, purple and gold were adopted by the present football team.

One of Mr. Duke's daughters, Mrs. Paproth used to transport the teacher from Williamstown by horse and cart.

She could not afford to stay away from school, herself, because Mrs. Paproth made up the quota which justified Williamstown in having a teacher.

Not many young people know that Mr. Duke formed the first football and cricket teams, but there is a lasting reminder of him — Duke Street.

The rugged life the early settlers had to live at Altona is illustrated in the picture above with Mr. Duke and his family sitting outside the tent which for a time was

their home. But all was not hard work. Before long Mr. Duke (centre in the second back row) had helped organise the Altona Cricket Club.

# NEW GUINEA TALK FROM MINISTER

Fleas, snakes and rats were just some of the creatures encountered by the Rev. Harry Orr when he travelled through New Guinea looking for the right spot to commence Baptist Missionary work in 1949.

Mr. Orr addressed the congregation at the Altona Baptist Church last Sunday night. He told them how he travelled in a small plane, around the high mountains in New Guinea, so high he couldn't fly over them.

The landing strips were so hazardous that once a pilot had committed himself to a landing he couldn't change his mind.

At one time he and a fellow missionary were narrowly missed by a spear thrown by a hostile tribesman, but 10 years later they watched 49 of these same people being baptised with a further 9000 natives watching them.

From the work started there 21 years ago, there are now 16,000 baptised believers, 207 churches, 207 ministers, two Baptist Unions and three training colleges as well as extensive medical and educational work in New Guinea.

One of the tribesmen who became a Christian, is now a member of the House of Assembly in New Guinea and Deputy Speaker.

At the same time this native parliamentarian is active in his local church and Christian Endeavour work.

Mr. Orr made those who listened to him aware that while this work has grown tremendously, much still remains to be done. He emphasised that the work was dangerous, rewarding, underpaid yet

completely satisfying and challenged young people to consider what part they might play in this work.

Next week the Family Service and Sunday School will be held at 9.45 a.m. and a worship service at 11.15 a.m.

At the 7 p.m. service there will be a combined parade for the Baptist Girls' Fellowship and the Boys' Club. An audio visual called *This Wonderful World* will be presented. The film was produced by the Scripture Union.

Supper will be served and all parents and friends are invited.

On Tuesday April 6, the

Ladies' Morning Fellowship will be "Tripping to Moscow", via slides which will be shown by Mrs. Beth Shelby, a former resident of Altona.

The meeting will commence at 9.30 a.m. Morning tea will be served.

On Friday night April 2 the Youth Group will be having an outing to Lederberg Gorge leaving from the Church grounds at 7 p.m. They will conclude their outing with a barbecue supper.

## Keep cars locked!

Altona police this week appealed to car owners to keep their cars locked when leaving them unattended.

There have been a number of car thefts in the area over the past few months, some of which have resulted in the destruction of the cars.

Sergeant Day said about 50 per cent of the cars were stolen for joyrides.

He said "The trouble is when the car is abandoned

thieves and children progressively steal and damage the car."

"In one recent case a car was given away because the damage made it useless."

He reminded car owners, that it is an offence to leave cars unattended on public highway.

## Top chess men at Altona

Chess players in the Altona district will soon have the chance to pit their skills against two of the top players in Australia.

During the 1971 Altona Arts Festival, chess players will be able to challenge the chess champion of Australia, Mr. D. Hamilton, and the Victorian Chess champion, Mr. K. Ozol.

The two champions will play all challengers at the same time.

The games will be played in the Lutheran Church on the western side of Broadway, between Blackshaw's Road and the Circle.

They will be played on Wednesday, April 21, and Wednesday, April 28.

Entry fee for non-members of Altona Chess Club is \$1, and for members the fee is 50 cents.

Application can be made by telephone

## Council to act on Petrochem

Legal action will soon be taken against the Altona Petrochemical Co., Cr. Crofts said at the last council meeting.

He said: "Council resolves that a nuisance exists and the town clerk will be consulting with a solicitor about the appropriate notice to be served."

Cr. Crofts reported a number of complaints from residents.

He said: "We have

received various complaints about black deposits caused by nearby companies.

"The firms concerned admitted the offences and offered to make steps to correct them."

The mayor, Cr. Grant asked: "Did these firms offer any compensation to the people who were inconvenienced?"

Cr. Crofts: "No, they haven't."

Cr. Grant: "If these firms merely offer their regret over these offences, it's pretty small compensation for people who were put out."

Cr. Crofts praised

Cr. Doug Grant

the health inspectors who acted promptly on complaints received from Altona North about strong and offensive odors.

## Don't steal the bouys

Vandals who stole lifebuoys from Altona Pier could have caused two deaths.

Sergeant H. Day, of Altona police said that two people had drowned after falling off the pier in the last 12 months. Their lives could possible have been saved had the lifebuoys been there.

He said "It's not only the vandals, small children use them to play with, and then allow them to float out to sea."

"The trouble is, they

cost about \$14 or \$15 to replace. They are stolen as fast as they are replaced."

Sergeant Day said that adult apathy had also contributed to the deaths.

When a man drowned on March 8, a boat containing two men had just pulled away from the pier, and ignored children who pleaded with them for assistance.

## Bay to be re-named?

In a letter to the council last week, the Hydrographer of the Royal Australian Navy, suggested that the word "Bay" be deleted from the name Port Phillip Bay.

The Hydrographer pointed out that, by definition, the term "Bay" is not appropriate.

Port Phillip was the name originally given to this water area and is the name currently used on Admiralty Charts.

Cr. Pat Lynch said: "I see very little to be gained by the change. The name is known all over the world and I cannot see any purpose in deleting 'Bay'."

"The money would be better spent by cleaning up pollution in the area."

# COURT HEARS PLEA FOR LENIENCY

It was rare for a slaughterman to earn a full week's wages free from industrial stoppages, Williamstown court was told last week.

Lawyer Mr. R. Byard, was making a plea for leniency for his client, Terence Eric Butters, of Briggs Street, Laverton, on charges of exceeding .05 and unlicensed driving in Tait Street, Newport, on January 14.

Mr. F. Clancy SM found him he left his driver's licence at home: He later confessed he lost his licence for a driving offence in 1969.

Mr. Byard submitted that Butters drove that day only because one of his greyhounds had cut its foot, and his father was not there to drive it to the vet.

He said Butters' financial and domestic situation was very strained. He had said he managed to talk four children and his wife recently went back to work.

Mr. Byard said Butters wife worked nightshift so she could look after the

children during the day and Butters could be with them at night.

He added that payments on Butters' Housing Commission home were four months overdue, and he was scared of losing his house.

Mr. Clancy told Butters he obviously had a very serious drinking problem

as well as all these other problems.

He fined him \$50 for driving without a licence, \$125 for driving with a blood alcohol level greater than .05 per cent. and disqualified him from obtaining a licence for two years.

Butters was given three months to pay.

## Camera corner

Although Williamstown Camera Club conducts its meetings at the Methodist Church Hall, Electra Street, the club is in no way connected with the church and is open to anyone interested in photography.

Elaborate cameras increase the chances of better photography, but they are not essential. With guidance from Camera Club lecturers, and members you can bring your picture-taking up to the same standard.

Perhaps you are an expert and do not feel you have anything to gain by joining a club — then come along and pass your knowledge on.

Results of "Portrait" and "Open" competitions will be announced at the meeting tonight. Slides from the recent National Exhibition will take the rest of the night's programme.

A good number of entries are expected from the recent club outing to Sunbury. The weather was ideal and the area was a photographer's paradise. Entries for "Open" and VAPS competition must be handed in by the weekend.

## SWIM WINNERS

Trophy winners were presented with their prizes at Newport Amateur Swimming Club's recent presentation night.

The 1970-71 season was an outstanding success.

Highlight was the No. 1 District pennant the boys team won for the third time in a row. As the club has only been going for three years this is truly a wonderful performance. The girls also won their section.

Trophy winners are too numerous to mention. The All Junior was completed recently and club swimmers performed excellently bringing back two gold medals, four silver and five bronze. Congratulations are extended to these young swimmers.

Photo shows successful girls team who won the winter pennant at Olympic Pool very easily.

They are, from left to right: Back row — Maree White, Geraldine Murphy, Mrs. Creeves (Team Manager), Robyn Van der Reyden, Roseann Reeves (Capt.), Mr. T. Portelli (Pres.), Susan Medcraft, Ann O'Leary.

Front row — Nadeen Flahive, Lynette Butler, Roberta Jackson, Carol Jackson, Amanda McIntosh.

## Babies need new sister

Williamstown council is looking for another sister-in-charge for the Williamstown Infant Welfare Centre — at least temporarily.

Sister M. E. Rowe, the present sister, has been ill and cannot return to work for quite a while.

The new sister will only be employed on a temporary basis, but there is a chance that the appointment will become permanent.

# PRANG FINE

Skidmarks 27-feet long were left on the road after a collision involving his car, a young man told Williams today in Court last week.

Robert Stanley Keene, of William Street, Newport, pleaded not guilty to a failing to give way charge.

Questioned by Keene, Constable William Ritchie, of Newport police, gave evidence that he had not seen any skid-marks at the scene of the accident at William and Newcastle Streets, Newport.

Michele Zanchelli, a cleaner of Mason Street, Newport, told the court that about 12.15 p.m., on October 3, 1970, he was driving along Newcastle Street. He entered the intersection of William Street at 15 or 20 miles an hour.

Zanchelli added Keene's car came from the left about 45 miles an hour and struck his car near the front.

Constable Ritchie said when he arrived at the accident scene, Zanchelli's car was in the middle of the intersection and Keene's was parked outside his home in William Street.

Constable Peter Gibbons, of Newport police, tendered a record of interview with Keene, taken on October 4, to the court.

In this Keene said he did not see Zanchelli's car until there was a screech of brakes before the cars hit.

He said there were cars parked on the south side of Newcastle Street, which probably obscured his view.

From the body of the court, Keene said he helped measure skid marks made by Zanchelli's car.

He added Zanchelli must have been going faster than 15 or 20 miles an hour to leave skid marks 27 feet long.

Mr. F. Clancy, SM, fined Keene \$40 and cancelled his probationary driver's licence for three months.

He also ordered Keene to pay \$10 costs to Zanchelli missing work to attend court.

Keene was given 14 days to pay.

# The curtain rises

by THISBE

Money, we are always being told, is the root of all  
evil. Maybe it is, but if it is applied to a good cause it  
can achieve many useful things.

There are few clubs and  
organisations that have  
quite enough money to en-  
able them to do their spe-  
cial things whether it is  
taking a trip to Coober  
Pedy or building a new  
club house.

We would like to sug-  
gest to club secretaries  
that a night at the  
Williamstown Little The-  
atre might help them to  
increase their funds. Our  
ticket secretary, Mr. Ellis  
Ebell, on 397 7600 will be  
very pleased to explain the  
concession group plan.

Club members will find  
that as all Little Theatre  
productions start at 8.15  
p.m., they can enjoy a  
leisurely meal before leav-  
ing for 2-4 Albert Street  
for an excellent evening's  
entertainment.

Sad news came to all  
members of Melbourne's  
amateur theatre scene,  
with the sudden death of  
Professor Keith Macart-  
ney.

The "prof" had been re-  
hearsing for Viaduct's  
current production of  
"Winterest." He died after  
spending a day at rehear-  
sal.

The theatre was his life  
and he will be remem-  
bered as one of the  
founders of the Tin Alley  
Players.

# Pirouette champs

The Altona Pirouette Syn-  
chronized Swimming Club held their  
club championships this week.

For eight excited littles  
it was their first chance to  
enter competition swim-  
ming, which was probably  
more exciting than win-  
ning an event.

Also swimming in the  
championships were Kerry  
Eustace, Sue Antonoff and  
Fiona Roberts, who rep-  
resented Victoria and Al-  
tona so well in the  
Australian Championships  
recently.

The club seem to be in  
demand; six of the mem-  
bers, Kerry, Sue, Pam  
Bowman, Shirley

vited to put on a display

# MAYOR OPENS NEW BASEBALL CENTRE

Over 150 people were present last Sunday when the Mayor of Williamstown, Cr. Jack Byron, opened the Newport Baseball Club's new pavilion and playing field at Park Crescent, Williamstown.

The pavilion was named after H. (Lal) Johnson, one of the club's foundation members, and the baseball field after Harry Douglas, the club's first all-Australian representative.

Among those present were, Cr. and Mrs. Jack Byron, Mr. Larry Floyd (MLA, Williamstown), Cr. Peter Lalor, Mr. and Mrs. "Lal" Johnson, Mr. and Mrs. Harry Douglas and representatives from other baseball clubs in the Western Suburbs.

In introducing the guests Newport Baseball Club president, Mr. Bill Gledhill, gave a brief outline of the club's history from 1928 to 1971.

Mr. Floyd congratulated the club on the hard work done by the club members and commented on how the club had turned the wilderness that was the Park Crescent Reserve into something worthwhile.

He said that Newport Baseball Club had always been known as a club that would help itself and not wait for the city council or some other body to come to its aid.

Cr. Byron commented on how well baseball is organised and gave a brief

outline of the organisation of baseball in America.

He said the club should be proud of what has been achieved by the hard work of its members.

Cr. Byron conveyed the congratulations of the Williamstown City Council to the club and then declared the Harry Douglas Field and the H. (Lal) Johnson Pavilion open.

Mrs. Whiffin, who has worked on the ladies' committee for 22 years, was presented with her life membership medallion at the end of the proceedings.

This was followed by afternoon tea prepared by the Ladies' Committee.

## Williamstown whip 'Rovers'

Williamstown showed scintillating pre-season form in crushing last year's runners-up Wangaratta Rovers by 71 points last Saturday.

With David Stark, Kevin Jackman and Dallas Patterson all included in the line-up the Gulls were a much stronger combination than the previous week against Eltham.

Stark, who made Footscray's supplementary list, has returned to the club, although Footscray officials are still very keen for him to join the Bulldogs.

Ron Page, who was one of the club's stars in the finals last year, has again made South Melbourne's senior list and he will be trying his luck with that club this season.

Williamstown has lost the services of big ruckman John Fanning who will be tied up with University studies, and he will be a big loss.

He proved a star player since crossing over from Essendon through last season.

Two new faces who could be seen in the opening line-up are Brian Vaughan from Frankston and Daryl Dunlop from Carlton.

Against Wangaratta Rovers, Alan Cocks, Mick Mulligan and Dallas Patterson each showed out kicking four goals.

Among the old brigade Tom Russell and Ken

Barnes are in good touch, while two juniors who came under notice were Rod Lowerson and Ken Hynes.

Final scores were Williamstown 20.16.136 to Wangaratta Rovers 9.11.65.

Williamstown will play Sale next Saturday at home in preparation for the opening round on April 18.

## Homing club

The Williamstown Homing Club held its third Federation race on Saturday, March 27 under very trying conditions.

Results: A.S. Carter 5 hrs. 15 min. 48 sec. (845.9) R. Murphy 5 hr. 59 min. 24 sec. (737); T. Kwiatkowski 6 hr. 6 min. 53 sec. (725).

## Littlies strike the jackpot

Williamstown has every reason to be pleased with the 28 children who represented the city in the Victorian Championships at Olympic Park on Sunday.

Every child upheld the highest tradition of sportsmanship and the team finished the day with three Victorian records, 13 medals and 2 interstate representatives.

Victorian records went to K. Plummer, boys U/12 100 metres 12.4 sec. and 200 metres 25.6 sec. and Julie Hogg, girls U/10 800 metres walk 4 min. 24 sec.

Gold Medal winners were: — L. Jamison — Girls U/10 70 metres, 10.0 seconds; 100 metres 13.8 seconds; 200 metres 29.6 seconds. J. Gittins — Girls U/12 400 metres 1 min. 1.4 sec.; 800 metres, 2 mins. 30.6 sec.; K. Plummer — Boys U/12 100 metres, 12.4 sec. (Vic. Record); 200 metres 25.6 sec.; (Vic. Record). J. Hogg — Girls U/10 800 metres walk 4.24 sec. (Vic. Record).

Bronze Medals: C. Hall — Girls U/10 800 metre walk, 4.32.2; J. Hurwood — Girls U/12 800 metre walk, 4.8.1.

J. Gittins and K. Plummer will go to Sydney next weekend as part of the Victorian team to compete against N.S.W. and W.A.

The success of the children can be attributed to the conscientious work by the team managers Mr. and Mrs. Frank Cochrane. Congratulations to all concerned.

## Juniors third in the State

At the junior athletics grand final the Williamstown's under 15 A team was outstanding as it became the third best team in the state.

The team scored a total of 126 points to finish behind the two giants of Victorian athletics Sandringham (148 points) and Box Hill (130 points).

The Under-15 B grade team finished fifth best of all the clubs.

The Under-13 A grade were also fifth to clubs much stronger in membership.

The pleasing factor about the Under-13s was their team spirit and their determination to improve.

With the potential and sportsmanship shown by these junior teams the club should be able to hold its position in the top competition grades in future.

Under-15 A: 2nd place went to Mike Barbayannis in a brilliant 11.8 secs. 100 metres close decision. Eero Keranen ran 1500 metres in 4 mins. 16.5 secs. to just finish behind the winner from Sandringham.

Fantastic improvement was shown by Ray Powley in the finals, he finished third in the 1500 metres. Time — 4 ins. 20.4 secs.

The 4 x 100 metres relay (Barbayannis, O'Sullivan, Caldwell, Keranen) were just beaten for first place in the good time of 47.9 secs.

Under-15 B grade — best performances: Pole Vault: R. Douglas, 2nd 8 ft. 1 in. (personal best), 1200 metres walk: L. Bain 2nd, 6 mins. 32 secs.; P. Allsopp, 2nd, 110 ft. 2 in. 1500 metres run: R. Hall, 7th, 4 mins. 55.5 secs.

Under - 13 A grade — Best performances: 1200 metres walk: J. Steward, 2nd, 6 mins. 42.2 secs. 100 metres: L. Strambi, 2nd, 14.0 secs.; 100 metres: G. Collins (5th in hardest heat) 13.9 secs.; 1500 metres run: P. McHardy, 6th, 5 mins. 7 secs.

## THIRDS TAKE PREMIERSHIP

Williamstown Third XI grabbed victory from Elsternwick last weekend to take the premiership.

Playing at Murphy Reserve, Port Melbourne, Elsternwick won the toss and elected to bat on a good wicket.

Neil Speakman and Bob Ducrow opened the bowling.

The first wicket fell to Ducrow at 25. Phil McTaggart took over from Speakman and captured three quick wickets.

But some solid batting by Elsternwick allowed them to reach 224 before being dismissed.

In that total, Speakman took 2 for 52, McTaggart 4 for 41, Ducrow 2 for 20 off 17 overs and Skillen 1 for 16.

Williamstown opened with Skillen and McTaggart but were soon in trouble, losing 3 for 28.

Harris joined Tyrell and the pair added 85 before Harris was dismissed for 44. Park and Tyrell added 59 or the fifth wicket before Tyrell was bowled for 65 — a fine effort for a youngster.

Roberts and Park added 40 runs before Roberts went for 10.

Smith joined Park with Town needing 13 runs for victory. These were quickly made and Smith was finally dismissed for a solid 34. Park went lbw for 79.

Becroft made 16 and Ducrow 14, making a total of 318, 94 runs in front of Elsternwick.

Elsternwick started badly in their second innings to be 4 for 8. But they recovered to be all out for 167. Speakman took 3 for 47, Ducrow 4 for 46 and McTaggart 2 for 51.

Special credit must go to Rob Ducrow for his leadership in the semi-final.

All those children who have registered with North State Little Athletic Club during the 1970-71 season are invited to the fourth annual Presentation Night in the Williamstown Town Hall Supper Room on Friday, April 2, at 7.45 p.m.

The club would particularly like to see any ex-members who have grown out of Little Athletics.

The only charge for the evening is a plate of food to add to the supper table.

Each member will receive a Merit Certificate tabling his best performances during the season and there will be a special recognition made of those children who will be leaving Little Athletics because they have reached the age of 12.

Competitors from North State won 43 medals at the recent Centre Championships, 16 of which were Gold (first place).

Particularly successful were: Jill Gittins (five gold), Louise Jamieson (three gold), Paula McBroom (three gold), and Ann Falzon (one gold and four bronze).

Competitors were limited to five events, three track and two field, or three field and two track.

Jill Gittins and Ann Falzon with another North State member, Annmaree Jamieson, as well as Elizabeth Bell from Yarraville West Club formed the team for the Williamstown Centre.

## GOLF

Mrs. G. McDwen won the A grade stableford with a 34 off the stick, in the last round of the competition of the Koorringal Golf Club last week.

She defeated Mrs. D. Weston and Miss P. Coburn on a countback.

Mrs. M. Rich won the B. grade with 40 points.

A countback was necessary to separate first and second in the C grade stableford.

It was won by Mrs. C. Kim on 42, followed by Mrs. S. Brown.

a girls' 4 x 400 metre relay race at the recent International Athletics Meeting at Olympic Park.

Six teams from Victorian centres were fielded, including the crack Corio team, who held the Victorian record.

The Williamstown girls

performed magnificently, and though both Corio and Williamstown smashed the existing record, Corio managed to cross the finishing line first, and will again hold the new record.

These two teams finished almost 150 metres ahead of the other teams.

- \* Swimming Pool (one of the best in Victoria).

In fact Lara has all the modern conveniences of Suburban Melbourne with the added advantages of a wonderful country atmosphere.

There are 5 trains per day to Melbourne. Geelong is only 10 minutes drive. Melbourne is 45 minutes and will be reduced to 30 minutes on completion of the Lower Yarra Crossing. Footscray is only 30 minutes drive.

### OTHER ADVANTAGES

Lara has a wonderful environment for children. 5 acres is equal to 25 average suburban blocks. Lara has the best growth potential of any area in the west.

The land offered is unique as far as 5 acre lots are concerned as no where in Victoria today could you find land offering all the advantages and potential growth with capital gains that must eventuate, as during no period in Australian history has the demand for land been so great. This demand will accelerate as land in developing areas becomes less available.
